

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing the City Manager to File the Revised Claim for 2000/01 Transportation Development Act (TDA) Funds and File the Claim for 2001/02 TDA Funds in the Amount of \$2,046,897 from the Local Transportation Fund (LTF) and \$26,151 from State Transit Assistance (STA)

MEETING DATE: June 6, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution authorizing the City Manager to file the revised claim for 2000/01 TDA funds and the claim for 2001/02 TDA funds in the amount of \$2,046,897 from the LTF and \$26,151 from STA.

BACKGROUND INFORMATION: Each year, the City of Lodi receives an apportionment of TDA funds to support Lodi's transit operations and pedestrian/bicycle costs. These are State transportation funds that are primarily for non-vehicular transportation but can be used on roads if those other needs are being met. They are channeled through the Council of Governments, our regional transportation planning agency. The claim for fiscal year 2000/01 has been revised by transferring the Roads and Streets funds to Transit Operations. The funds for Roads and Streets will be re-claimed in 2001/02. That amount is \$427,527. The claim for fiscal year 2001/02, including pedestrian/bike and 3% for San Joaquin Council of Governments planning, is \$2,046,897 from the LTF and \$26,151 from STA.

The City Council should be aware that our transit operations, Dial-A-Ride and GrapeLine, are fully funded with formula dollars from the Federal Transit Administration (FTA), TDA, and other competitive sources of funds. Transit is not dependent on any General Fund money. We intend to continue to use TDA funds for transit-, pedestrian-, and bicycle-related projects and maintenance as much as possible.

FUNDING: Not applicable.
